ANUBHAGYA COLONY HWP (K) RAWATBHATA
NEWSLETTER 2023-24**

VICE PRINCIPAL'S MESSAGE

I feel honoured and privileged to be a part of this esteemed educational institution, where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents and staff.

Today, the role of school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, potential focused and productive members of an ever-changing global society. At AECS-3, Rawatbhata, we provide an atmosphere to our students conducive for their multifaceted development where students are fostered and encouraged to channelize their potential in the pursuit of excellence.

Learning is neither a progress limited to the doors of the schools and colleges only, nor does it end with the conclusion of one's school career. It is indeed a lifelong process. Our school is oriented to the total formation of a child and to adaptation of various methods suiting the dynamics of changing world in order to achieve common goals and objectives.

Dear students, it is my message to you all that the people of fine character live by their values. They are honest and are committed to truthfulness, word and deed. True character, thus, encompasses the capacity for self-discipline. Always remember to uphold the dignity of people. What you are is God's gift to you and what you become is your Gift to God. Bring out the best in you.

"With warm wishes and Almighty's blessings."

"Education is not the learning of facts, but the training of the mind to think."
