

26/09/2018.

An ad-hoc committee of following staff of HWP (K) has been constituted by GM,HWP(K) observe the safety measures in AECS-3, Rawatbhata:

The committee visited the school on 26th September 2018 at 1400hrs and the following observations are made:

- Fire extinguishers have been installed in various wings of the school building and the school is in constantly touch with Fire crew of HWPK & NPCIL, Rawatbhata for training & mock drills.
- Emergency telephone numbers and list of persons to be conducted in case of any eventuality has been displayed on the notice boards and other prominent places in the school premises.
- In walk over survey, there are no visual cracks and defects available in the structure. Hence building may be considered for housing the students, No temporary structure or class room with thatched roof found.
- The location of the school has been far away from the risk of landslide/Industrial area.
- Electrical system of the school has been checked periodically by Electrical Engineering section, HWP (K).
- The school play ground is well maintained and no hazardous materials exist.
- Safe drinking water is available in school.
- Laboratory has been set up as per the norms.
- School does not provide any transport facility to the students.
- Hospital and ambulance are available at the distance of 400 mtrs.
- There are no physically challenged students. Three Special children in the school are taken care by trained special educator who is entrusted with the exclusive responsibility of their needs for any emergency.
