ONLINE MCQ TEST

Greetings to all my Dear Students!

We have conducted two online MCQ tests successfully, it gives an exposure to students to prepare the topics taught in phased manner. My special congratulations to all my dear students as the maximum number of students appeared in the last examination. In continuation, we have planned to conduct third MCQ test starting from 24th of August 2020 for all the subjects in the pattern already we adopted. Test will be conducted through online using www.classmarker.com with the following guidelines

1. The user name and password for all the subjects will remain same for all the MCQ tests. Hence you need to remember the user-id of all the subjects and password already communicated to you. Don't share the credentials with others.
2. Online MCQ Tests will be made available for a specific time period on a particular day; hence students are advised to take tests as per the schedule without fail. A student can attempt the test only once for every subject on a particular date. Test cannot be resumed after sometime, hence it must be completed at one sitting only.
3. The marks of top three students will be published in the concerned WhatsApp group for every subject after the completion of tests along with name of top 3 students in each class.
4. It is mandatory for all the students to appear for the online MCQ test.
5. There will be 50 questions with multiple choices only

ONLINE MCQ TEST

Subject Teachers of classes X and XII are hereby informed to prepare question paper for third online MCQ test paper to be conducted as per the schedule given in the circular.

The syllabus for the test can be decided by the respective teachers so that it can give ample chance to create 50 questions, it can be from the portions covered from the month of July to 20th of August 2020. Please avoid taking questions directly from NET or downloading question paper from public website as it gives chance to the students to google and find the result. All the questions must be of multiple choice only.

The syllabus for all the subjects should be conveyed to the students clearly on 19-08-2020 during the live session. Teachers should emphasis the importance of the MCQ test in positive way so that the maximum number of students should take part in the test.

Class teachers and mentor teachers are requested to motivate the students concerned to attend the MCQ test without fail.

The last date for submission of question paper is 21-08-2020. Send the question paper to the confidential mail-id of our school.

The in-charge of examinations and the coordinator of MCQ test is hereby informed to make the necessary arrangements well in time.
